Remarks:

(You can write here if there is anything else, you want to specify. Maximum 500 keystrokes):

Admission with special permission is based on the documented qualifications. It is of decisive importance and your responsibility, that you attach all relevant documentation. It is only the documentation, VIA receives, that will affect the assessment.

This application for admission with special permission and your belonging documents have to be attached with your application of admission. You have to remember to tick the box "Application with special permission" on the application form at www.optagelse.dk

I hereby confirm to the best of my knowledge and belief that the information provided is correct:
