

## Project development and innovation in an educational and cultural context in Tanzania

Summer School 2015 TCDC – VIA University College

**Periode:** From Monday 6 July up to Friday 14 August, 2015

### **The Module**

Credit: 10 ECTS

The module is developed in cooperation between The Department of Teacher Education at VIA University College, Denmark (VIA) and Training Centre for Development Co Operation at Arusha in Tanzania (TCDC). There will be teachers partly from VIA partly from TCDC. The modul has a duration of 6 weeks. Four weeks will contain lessons at TCDC and two weeks will be fieldwork at a school in the area. During this period, you will stay private in small groups close to the school. At least 15 participants must apply before the module implemented.

You will find the application form at our website:

[www.viauc.com/summer-school-education](http://www.viauc.com/summer-school-education)

Your application has to be submitted not later than 1 May, 2015

### **Economy**

Fee: 2000 US \$

Travel costs: For those who wish the flight will be coordinated by the international coordinator at VIA. The price of a ticket is typically around 900 us \$ from Europe to Kilimanjaro Airport and somewhat less to Nairobi airport

Subsistence expenses: On TCDC you can choose between double room or to stay four together in a room. The prices seen below. The price to stay at a private family during fieldwork also appears (\$ 140)

Hostel dormitory and basic african meals	\$ 105
Hostel dormitory and dining hall meals	\$ 185
Host families ex. lunch	\$ 140
Twin rooms basic African meals	\$ 215
Twin rooms dining hall meals	\$ 295

Bring ideas to life  
VIA University College

### Short description of TCDC

MS-TCDC is a Training Centre for Development Cooperation in Eastern and Southern Africa. The location is situated close to Arusha in Northern Tanzania (East Africa). Throughout the year different courses and workshops run concurrently in a lively international atmosphere promoting sharing of experience and cross cultural discussions. Excellent facilities together with a quiet and pleasant atmosphere make it an ideal place for reflection and learning.

### The module content and organization

#### Monday 6th to Friday 10th July

##### **Cultural understanding through language and education-related context**

By the end of the course, the participants have worked with the local cultural in different aspects such as markets place, trading, different educational contexts etc. through local language and in that way improved their communications skills and the participant's to converse with ease, using local language in communities and at workplace.

#### Monday 13th to Friday 24th July

##### **Project Planning and Management**

By the end of the course, participants will be able to design, implement and monitor projects in a structured and professional manner.

**MS TCDC**  
actionaid denmark

#### Monday 27th to Friday 31st July

##### **Social entrepreneurship and innovation**

The module aims to develop participants into competent innovators and by the end of the course be qualified to act reflective and systematic in innovative processes within an educational organization.

#### Monday 3rd to Friday 14th

##### **Filed work, a study of local educational practice**

The participants will get the opportunity to relate the study to fundamental issues of the local educational context. The participants will develop skills in a systematic and reflected light to generate empirical data from a teaching practice. It is the goal that the student through the integration of practice experience and development orientation achieves knowledge, skills to reflect and understand the educational context from a cultural perspective.

##### **Assessment**

After each week the participants are going to make a presentation based on guidance from teachers and trainers.
