Exchange Programmes

An experience that will last a lifetime

WHY VIA UNIVERSITY COLLEGE

Why VIA University College

Studying abroad is an experience that will last a lifetime and develop your skills academically, culturally and personally.

Why you should choose VIA

- With 2,500 international students from more than 60 countries we have a unique international environment
- We are Denmark's largest university of applied sciences with 18,500 students
- Our Scandinavian approach to teaching are combined with group work, problem-based learning, small-sized classes and an informal teaching environment based on mutual respect
- We are right beside you every step of the way in a variety of services such as career guidance, counselling, student clubs and much more
- Inclusiveness, diversity and harmony play a huge part at our campuses, everybody is welcome at VIA
- Our teachers are professionals with industry experience and are teaching in the latest developments within their industries and with expert knowledge.

VIA LOCATIONS

VIA has 8 main campuses located in the middle of Jutland

Why you should choose Denmark

- Unique approach to teaching and international study environment
- One of the world's safest and least corrupt countries
- Individual freedom, tolerance and a strong sense of mutual trust are core values
- Lots of great things to experience music festivals, Danish design, "hygge", Nordic cuisine, Cold Hawaii and over 8,700 km of beaches and a beautiful nature.
