You will also find a description of procedures and admission requirements under each programme.

Accommodation

There are several accommodation possibilities and price levels. [Read more about housing and the options in each of VIA's campus cities here.](#)

Welcoming Programme

We have a welcoming programme for all our study programmes to ensure a smooth arrival.

Living Expenses and Practical Information

On our website en.via.dk, you can find practical information under: <https://en.via.dk/life-at-via>

Additional Information

Our programmes are located at eight campuses throughout western Denmark. Each campus is either newly built or newly renovated and offers modern facilities for our students.

Our campuses have strong academic environments and a variety of leisure activities.

You can learn more about housing options, amenities and facilities and the local surroundings of each campus by choosing your study location at our website: en.via.dk/programmes/student-life

VISA

Citizens from the Nordic countries and the EU do not need a visa. However, citizens from other countries should check the Danish Immigrations Service's website: <https://www.nyidanmark.dk/>

Please be aware that the process for VISA application takes time.
