## DEGREE PROGRAMMES DENMARK

---

# VIA University College is one of Denmark's largest university colleges

We are home to more than 40 degree programmes in Danish and English. With more than 19,000 students, VIA offers a vibrant and international student community with students from all over the world.

### Our full degree programmes

The Danish educational system is ranked as one of the best in the world. At VIA, we offer accredited professional bachelor's degree programmes that connect theoretical teaching based on the latest research results with professional practice.

Our study programmes include mandatory internship periods and use innovative teaching methods that include elements of sustainability and entrepreneurship while relying on problem-based learning.

Our programme areas include:

- Animation
- Construction
- Design and Business
- Education
- Engineering
- Film and Transmedia
- Health

### Quality and cooperation

VIA has an institutional accreditation and is publicly recognised under regulation of the Danish Ministry of Higher Education and Science.

Our education programmes are continuously developed in close cooperation with public and private businesses and organisations. This partnership between VIA and the industries we educate for allow us to provide each other with knowledge, inspiration, and resources.

### Research generating new solutions

VIA conducts practice-orientated research in close collaboration with private and public partners.

Our 7 research and development centres create new knowledge that strengthens our study programmes as well as the sectors, industries, and businesses that we educate for. In that way, we can contribute to developing new solutions to societal challenges.

### Our vision 2030

At VIA, we act in the interest of society with the purpose of shaping a sustainable future. Based on a solid academic foundation, we push the boundaries of creating, sharing and applying knowledge. In ambitious learning communities, we fail, learn, and succeed together to make the strongest impact.

- Take action
- Push boundaries
- Learn together
