Remarks

(You can write here if there is anything else, you want to specify. Maximum 500 keystrokes):

--

Admission with special permission is based on the documented qualifications. It is of decisive importance and your responsibility, that you attach all relevant documentation. It is only the documentation, VIA receives, that will affect the assessment.

This application for admission with special permission and your belonging documents have to be attached with your application of admission. You have to choose "Application with special permission" under the 'Choice of education' tab, on the application form at www.optagelse.dk
