

Verification Form

This verification form can be used to verify the instructional hours of the subjects below. The instructional hours must be **obtained during the final three years at upper secondary school** to document fulfillment of the specific admission requirements for the study programme you have applied for.

To be accepted, the verification form must be stamped and signed by the school.

Name of the student:	
Date of birth:	
Name of the school:	
Length of instruction hours in minutes: ¹	Minutes

Subject ²	Number of instructional hours		Number of instructional hours		Total number of instructional hours
	First of the last three years	Second of the last three years	Third of the last three years		
English					
Mathematics					
Physics					
Chemistry					
Biology					

Date and place

Stamp and signature of the headmaster or registrar of the school

I hereby declare that the above information is correct

Complete the verification form and submit it with your application at www.optagelse.dk

¹ State the length of the instruction hours, so that we can calculate into clock hours (60 minutes)

² You only need to fill in the instructional hours of the subjects needed for the study programme applied for
