# Register for student housing

The translated version of the page could be better.

**Example:** Student housing is translated with **Rental housing** in the drop down menu.

## Rental housing

Student housing is for people who are training. Rental housing is designated by law - youth.

If you meet the criteria below, then you are eligible for student housing:

- Is engaged in a state financed education.
- Is the doctrine trainee or an apprenticeship.
- Can demonstrate a minimum of 20 hours of weekly school in the daytime. This also applies to programs that are not SU-eligible (eg. Production school and language school).
- Is doing an internship or similar, where this is a requirement for admission to an education. Internships and other can only be accepted as proof of one year.
- Young people with special needs (documented, for example. A case worker at the municipality).
