Exchange Programmes

An experience that will last a lifetime

WHY VIA UNIVERSITY COLLEGE

Why VIA University College

Studying abroad is an experience that will last a lifetime and develop your skills academically, culturally and personally

Why you should choose VIA

- With 2,300 international students from more than 60 countries we have a unique international environment
- We are Denmark's largest university of applied sciences with 20,000 students
- Our Scandinavian approach to teaching is combined with group work, problem-based learning, small-sized classes and an informal teaching environment based on mutual respect
- We are right beside you every step of the way in a variety of services such as career guidance, counselling, student clubs and much more
- Inclusiveness, diversity and harmony play a huge part at our campuses – everybody is welcome at VIA
- Our teachers are professionals with industry experience and include expert knowledge and the latest developments in their academic fields in teaching.

VIA LOCATIONS

VIA has 8 main campuses located in the Central Denmark region

Why you should choose Denmark

- Unique approach to teaching and international study environment
- One of the world's safest and least corrupt countries
- Individual freedom, tolerance and a strong sense of mutual trust are core values
- Lots of great things to experience; music festivals, Danish design, "hygge", Nordic cuisine, Cold Hawaii, over 8,700 km of beaches and beautiful nature.

Study areas

VIA University College offers a variety of exchange programmes within animation, film, business, construction, design, teaching, social studies, engineering and healthcare. You will also find interesting summer schools and short term courses in our catalogue.
